**Central
Annex**

Blackrock Buildcon Pvt Ltd - Redefining The Virtues Of Transparency And Efficiency

We build more than homes. We build values and relationships. We take pride in establishing close relationships with our customers and in working closely with you to achieve the best possible results. We are committed to providing quality workmanship and materials that is environmentally responsible. We look forward that Central Annex project will be a standing testimony to our basic approach of upholding excellent standards in design and construction. And also characteristic hallmarks - technical excellence, impeccable quality, spacious accommodation and completion on schedule.

Central Annex is an ambitious construction venture from the company with different lifestyle residential options to cater to different needs and budget. With this enterprising project, the company wishes to widen its work area and institute a line up of elite customers and track record of prestigious ventures in the market.
