FIRST CITY
— MIHAN, NAGPUR —

First City is a international Standard township in MIHAN, Nagpur. The prestigious township is next to the Special Economic Zone and is being developed by Nagpur Integrated Township Private Limited (NITPL) – an IJM Group Company. IJM enjoys an unmatched brand image worldwide in the areas of Property Development, Construction, Infrastructure Projects.

First City township Project is being developed on a vast area of 31 acres offering a luxurious living experience to its buyers at par with international standards. The township provides 100 + world-class amenities, a spacious elevated podium, and abundant greenery. It is strategically located outside the Special Economic Zone and would have Residential as well as commercial development.

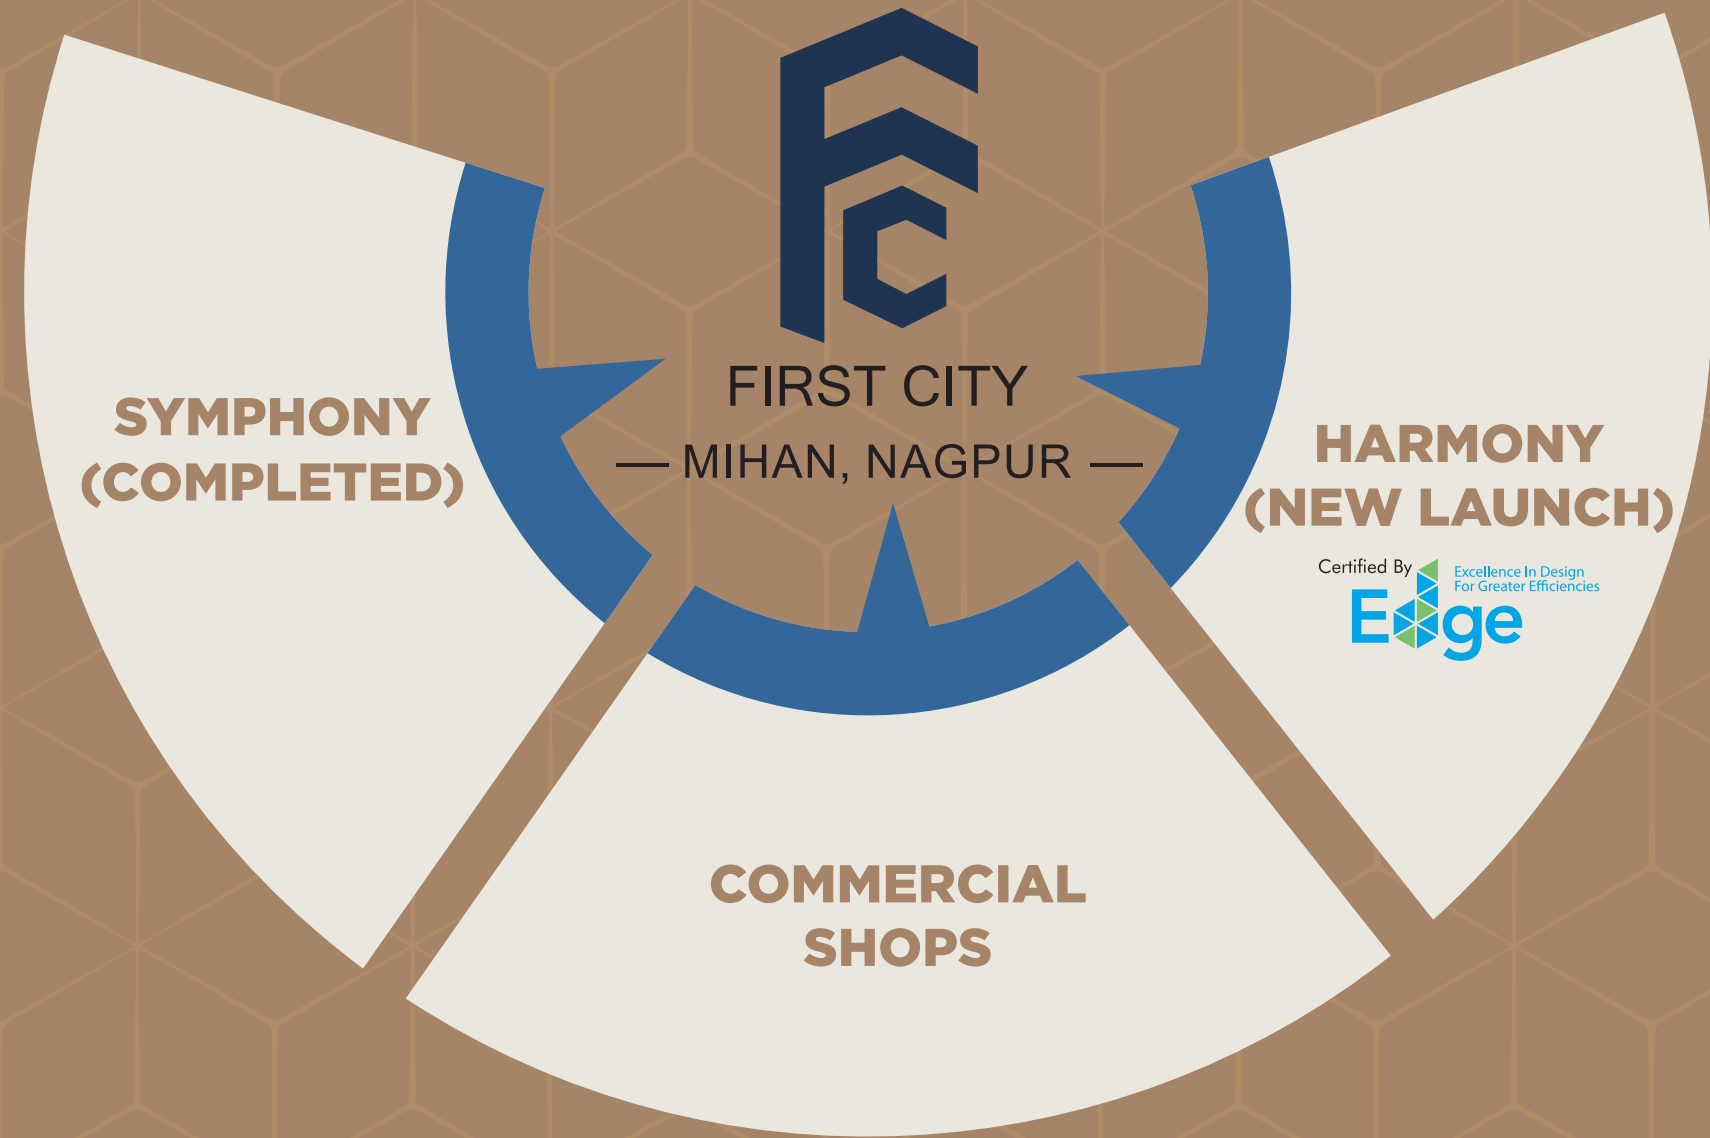

The township is located in Khapri village to the south of the proposed International Airport and is accessible from the four-lane National Highway No.7 (NH7). The Project site is next door to an International School and the hub of the IT industry of Central India.

First City, true to its tagline offers: “An Indulgence called Life”!
